Remarks

This contemporary cabin-style home features three bedrooms, two bathrooms, and stunning panoramic views of the wooded surroundings from the lengthy rear deck. The split floor plan provides a separate laundry room, a gas fireplace, as well as granite windowsills throughout the home. The walk-in pantry, granite countertops, backsplash and light-colored cabinets give the kitchen a rustic charm. The addition of cedar vaulted ceilings and walk-in closets further enhances the appeal, adding a warm, natural touch to the modernistic design, also equipped with ample storage space. Situated on roughly .58 acres (MOL) within the Latta School District, this home continues to offer a perfect blend of modern amenities and natural beauty!
